

# **MDA'S ACTIONS AROUND COVID-19**

- 1. Due to COVID-19, to prevent disruptions of supply, MDA issues Notification of Special Access Medical Device for devices used to diagnose or treat COVID-19.**
- 2. Medical Device (Exemption) Order 2016 (P.U.(A)103) exempts special access medical device from registration and licensing requirements.**
- 3. Special access medical device means a medical device for the use of medical practitioners in emergency situations or in the event that conventional medical treatment has failed, is unavailable or unsuitable.**

**MDA/GD/0043**

**MDA/GD/0056**

# NOTIFICATION/ APPLICATION PROCESS

- **General Medical Device Special Access Evaluation Committee**
